

## **VISION AND MISSION**

### **OUR VISION**

Our vision is to empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them, as life-long learners, to participate in and contribute to the global world and practice the core values of the school: respect, tolerance & inclusion, and excellence.

### **OUR MISSION**

To educate all students to the highest levels of academic achievement, to enable them to reach and expand their potential, and to prepare them to become productive, responsible, ethical, creative and compassionate members of society

### **AIMS AND OBJECTIVES**

To enhance self-esteem and the ability to value each person's own worth through a happy, caring, enriching and secure environment.

- To develop an awareness of self and self-confidence.
- To develop sensitivity to others.
- To develop self-discipline.
- To develop self-esteem.
- To develop acceptable behavior.
- To develop cooperation.

## **GOALS**

- Understand the relationship between students' academic achievement and their emotional well-being.
- Demonstrate dexterity in their use of curriculum theory, pedagogy, and assessment practices.
- Create classroom environments that respect all students and meet the needs of all learners.
- Conduct research with students, educators and school communities to generate new knowledge and strategies that contribute to the field.
- Critically analyze and thoughtfully engage in conversations around current educational policies that impact teaching and learning in classrooms.
- Develop professional dispositions that help them to recognize and utilize the “funds of knowledge” of culturally and linguistically diverse families and communities.
